ask your healthcare  
provider about*

## Antibiotics

Quality Improvement  
Organizations

Sharing Knowledge. Improving Health Care.  
CENTERS FOR MEDICARE & MEDICAID SERVICES

**Great Plains**

Quality Innovation Network

1. “Do I really need an antibiotic?”
2. “Can I get better without this antibiotic?”
3. “What side effects or drug interactions can I expect?”
4. “What side effects should I report to you?”
5. “How do you know what kind of infection I have? I understand that antibiotics won’t work for viral infections?”

This material was prepared by the Great Plains Quality Innovation Network, the Medicare Quality Improvement Organization for Kansas, Nebraska, North Dakota and South Dakota, under contract with the Centers for Medicare & Medicaid Services (CMS), an agency of the U.S. Department of Health and Human Services. The contents presented do not necessarily reflect CMS policy. 11SOW-GPQIN-KS-C3.10-33/1118
